The Blue and Gold Society is an undergraduate student organization sponsored by the Pitt Alumni Association. It is composed of top students who serve as student ambassadors for the association and the University.

The Student Alumni Association (SAA) is the largest student organization and promotes Pitt pride and tradition, cultivates relationships between students and alumni, and provides opportunities to enhance the student experience at Pitt.

Alumni clubs are geographic-based groups that support the University through a variety of activities for alumni and fans including game watches, community service projects, networking happy hours, etc. They reflect the spirit of Pitt worldwide!

Affinity Councils are groups of alumni who have a shared interest and common bond in their relationship with the University of Pittsburgh. They provide an opportunity for alumni to connect with each other through one or more former student activities or cultural passion.

Pitt Advocates receive timely informational updates and learn about opportunities that allow them to collaborate with elected officials and others in support of the University of Pittsburgh.

Lantern Night is a poignant tradition that symbolizes the passing of knowledge from one generation of women to the next at the University of Pittsburgh. The ceremony takes place at Heinz Chapel in August before the start of the fall semester. Each of the participating women receives a lantern that is lit by one of the Pitt alumnae symbolizing the “light of learning”.
